TEMPLE MILL TIMES

Friday 13th November 2026 Autumn Term

Dear Parents and Carers,

Firstly, thank you once again for your incredible support of our Sponsored Bounce. We are delighted to share that the final amount raised was an amazing £2,664.40! Thank you to everyone who took part and supported the event. The money raised will go towards the construction of a giant sandpit for our children to enjoy. We cannot wait to see this exciting addition to our outdoor provision!

As the weather becomes wetter, please ensure that your child has a pair of wellies in school. We are reminding children that wellies must be worn before entering any of our bank areas during wet weather, helping to keep everyone safe and our school grounds in the best possible condition.

We have also been reminding children about the importance of wearing their coats. As temperatures begin to drop, please make sure your child comes to school each day with a suitable, warm coat so that they can continue to enjoy outdoor learning and play whatever the weather.

Finally, we are beginning to plan our Christmas celebrations and events. There is lots to look forward to, and further information will be shared with you shortly.
Thank you, as always, for your continued support.

Have a lovely weekend!

Lunchtime at Temple Mill

Olive dining

We have now completed two weeks with our new catering provider, and it has been a really successful launch! It has been fantastic to see so many children trying different foods, exploring new choices and being willing to give something new a go. The pizza has been a particular favourite and a huge success! We have also seen an increase in portion sizes, which is really positive.

Our new approach, allowing children to choose when they visit the canteen, has also worked really well. It has encouraged children to explore the menu and try foods they may not have chosen before. Of course, not every new dish has been to everyone's taste, but we have been incredibly impressed by the children's willingness to try something different. We are really pleased with how positively they have embraced the changes.

If you are interested in your child having school dinners, payments can be made through Arbor. If you think your family may be eligible for Free School Meals, please do speak to the school office, who will be able to offer advice and support.
