

## Home learning Dip and Do 'Kippers Birthday' Dipal's Diwali'

Please see below 'Dip and Do' home learning activities for you to do with your child. Remember we love to see what you are doing at home and please send any photographs/notes on Tapestry.

### Get Making

Can you make a celebration scene? Collect a range of materials to create a collage or a shoe box scene of a celebration such as bonfire night, Halloween, Diwali

- What materials do you need?
- How did you make your celebration scene?
- Can you write about your project?

### Get Exploring

With your family, go for a walk in the garden, local park or local area.

- What changes can you see?
- What do you notice about the trees?
- What is the weather like, has it changed now we are in Autumn?

How can you make an autumn craft?

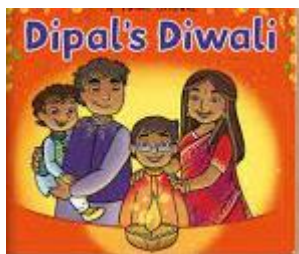

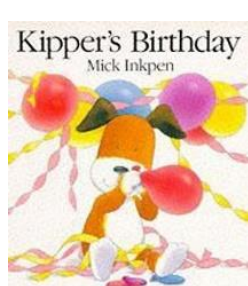

### Get Reading

Visit a local library or visit CBBC bitesize to find about celebrations and festivals. Can you find out how people celebrate different festivals e.g birthdays, Bonfire night, Diwali, Christmas.

### Get Feeling

How did Kipper feel when his friends did not turn up for his birthday party?

### Get Moving

Move and freeze to your favourite nursery rhyme or party song! Can you think of some different types of move? Get your adult to help you with creating some different dance move. Who can come up with the best move?

### Get mathematical

Can you sort objects into colours, by shape, by size?
