

EYFS Newsletter Term 4

Curriculum

Welcome back to Term 4! It is hard to believe that we are already halfway through the school year, and we are thrilled to welcome you back for this new term.

It is wonderful to see that spring is finally on its way, bringing brighter and longer days. This term, we will be focusing on investigating changes in the environment and observing what grows and how. We are excited to announce that we will be setting up a vegetable patch and a mini sensory garden in EYFS school's backyard. We cannot wait to involve your children in this project and witness their enthusiasm for learning about nature and the environment. If you have any unwanted seeds, plants, large pots or garden ornaments to contribute to our garden, we would greatly appreciate it.

We also have some exciting events planned, including a Mother's Day craft and reading afternoon, park visit as well as World Book Day celebrations.

We will be kicking off our wellie walks on Thursday afternoons. (Caterpillar class alternative week) Please ensure that your child has their Wellington boots ready, as they will have the opportunity to explore nature and learn more about their local environment during these walks.

Butterfly class will also be visiting Broomhill Park this term, with the date to be confirmed.

We are looking forward to a busy and exciting term ahead, and we cannot wait to see what your children will achieve over the next few months.

PE Reception Class

Please remember that PE lessons are on Fridays. Children should wear their PE kit to schools.

Home Learning

Reading

Your child will have their 'RWI Book Bag' updated weekly with new books. Please remember to access RWI eBooks/homework with the codes inside their reading record.

Please continue the fantastic job you are doing by reading regularly with your child.

Tea Time Talks

Thank you for your responses to the weekly Tea Time Talk questions. We will continue to post weekly questions that link to the children's learning on Tapestry.
