

## Year 6 Newsletter Term 4

In Term 4 we will be studying fractions, decimals and percentages in Maths, followed by algebra. Our History topic this term is World War 2 with a focus on the Battle of Britain. We are continuing this theme in our English where we are reading about 2 young evacuees, Olive and Cliff, in Letters from a Lighthouse, and writing letters and diaries from different character's perspectives. This is already proving a very popular topic with pupils! In D.T, children will be evaluating the structures of WW2 shelters before designing and building their own.
