

Dear Temple Mill,

As Mrs Lewis said in assembly, we have written letters to try and persuade Mrs Lewis and Mr Bignell to let us have a celebration linked to England reaching the final of the Euros this year - the first time they have achieved a major final in 55 years!

We have now had a discussion with Mrs Lewis and have agreed a plan. We have taken into account the fact that not everyone enjoys football and that we have families in school with connections to lots of other countries. We also didn't want anyone to have to buy anything especially for the day as we have already had some dress up days this term.

Therefore, inspired by the England football team's achievements and to tie in with our own Sports Day on Thursday, we would like to invite you to a Celebration of Sports and Sportsmanship on Monday 12th July.

If you'd like to dress up, these are your options:

- A football kit
- Wear your national colours
- Wear other sports kit to represent sports you take part in or enjoy
- Sports themed clothing
- Sports wear
- Uniform
-

If you decide to dress up, remember it must be suitable to be worn through the day and possibly for PE or over your PE kit.

We would also like to suggest some activities to include in your day:

- Football games and activities
- Making Sports Day flags and banners
- Create a new flag or football kit - maybe a Temple Mill kit?.
- Learn some National Anthems
- Sing some of the other songs the teams have enjoyed (Sweet Caroline or Yes Sir, I can boogie for example)
- Sports themed colouring

We hope you join in our Celebration of Sport and Sportsmanship to mark the success of the Euro tournament and to get us in the mood for our own Sports Day later in the week.

Yours sincerely,

Lion Class (Year 5)
