

16th July 2021

Dear Parents/Carers,

Today, several of our staff have received Test and Trace alerts relating to the positive case in school. The alerts mean that the staff are required to isolate until Thursday 22nd July.

Unfortunately, this has meant we have had to make the very difficult decision to move Year 2 to remote learning as both teachers are required to isolate and we are not able to cover the class in the usual manner. Those children are not required to isolate, so you may see them on site dropping off or collecting siblings.

Mrs Gee and Mrs Gabriel are included in the staff needing to isolate. Both are well and will be working from home during their isolation. Emails will be monitored and responded to as efficiently as ever but please bear in mind information may take longer to gather. The telephones will be manned throughout the day, but we would appreciate some patience as the person dealing with your enquiry may not have the answers to hand. Please make use of the answerphone but email where possible.

We are very disappointed that we have found ourselves in this situation despite our best efforts but we remain determined to finish the year positively. We look forward to welcoming Year 2 and all isolating staff back on Friday 23rd July fabulous last day of the year.

Thank you for your ongoing support and understanding at this difficult time,

Yours sincerely

Mrs L Lewis
Executive Headteacher (Primary)

Mr D Bignell
Co-Head of School
