

Give your best, expect success!

4-Oct-24

Dear Parents and carers,

It's been a busy week again at Temple Mill with visits from Mr McColgan and Mr Symons. Both visited lessons and chatted to the children to find out what is happening at Temple Mill. Both were very impressed! Although our theme this term is Individuality and our visitors met lots of fantastic individuals, we have reflected how no matter our individual skills and attributes, our community really shines when we all work together.

Have a lovely weekend,

Mrs Lewis.

Butterfly Class have been busy! This week, Butterfly class have been learning about the important people who help in our community. We focused on the roles of doctors and nurses, and Butterfly Class was full of aspiring doctors and nurses! It's safe to say it would have been the perfect place to be if you were feeling even a little bit

unwell.

Round 2 for our year 6 chefs:

It was round two of Year 6 does 'Come Dine with Me' this week with the focus being main meals.

Pupils were given the main ingredient of salmon and the recipes they came up with were: sticky salmon stir fry, spinach and salmon quiche and smoked salmon and cream cheese sushi.

The competition is hotting up with desserts still to be added to the menu, which team will come out on top?

Making the bugs feel at home! This week Year 2 have been creating micro habitats for worms, slugs and snails as part of their learning in science. The children used natural materials found around our grounds and were very excited to see that a snail had already moved in!

TEMPO Film Night: On Thursday 17th October, we are inviting the children to come along to our film night to raise money for our Parent Teacher Association, known as TEMPO. The children will choose between 2 films and can enjoy watching them with their friends whilst munching on hot dogs and popcorn! The cost of a ticket is £2.50 and they will be available on Arbor, please look out for a flier for the event. Please note that tickets must be purchased before 10am on Monday 14th October so that we can go shopping for refreshments.

Celebration Assembly: Today we congratulated group of Year 6 children who went to train as Sports Crew yesterday. We are proud to say they all qualified and will be working on in school sports events from next week. Well done all.

There were a few sporting commendations in our Headteacher Awards today. Science vocabulary, historical knowledge and musicianship all got a mention too. A fantastic collection of successes to celebrate!

Attendance: Our whole school attendance is at 96% this week, meeting our target but of course we're always looking for improvements!

This week's House Points:

DIAMOND	SAPPHIRE	EMERALD	RUBY
			
81	67	66	65

Well done to Diamond House

Dates for your diary: (Full details and booking etc to follow)
