Dear Parents/Carers

School Council Fundraiser and Information: Dates for your Diary

Captain Sir Tom Moore's family are inviting people to set themselves a challenge based around the number **100** and to raise funds or collect donations for small and local charities.

"The Daily Mail and Keep Britain Tidy are teaming up for another year to safely bring communities together across the country, to help clean the litter that blights our beaches, beauty spots and streets."

This campaign is running from 28th May to 13 June and more information, if you wish to get involved, can be found at keepbritaintidy.org

It is No Mow May and World Bee Day on 20th May. Medway Council's website, medway.gov.uk, has tips on how to make your garden nature friendly.

With all this in mind, the School

to collect **100** pieces of litter and would like to invite you to donate a hygiene or cleaning product to reward their hard work. All donations will be given to The Hygiene Bank, which is a local charity that has generously supported several of our families. We are aiming to do our 'litter pick' during the last week of term and any donations can be sent in with your children between now and the end of term.

Council are challenging themselves

Yours sincerely,

Temple Mill School Council
